

Acquire your HP Scitex digital printing solution today
Finance it through HP Financial Services

Have you been searching for a way to move from analog to HP Scitex digital printing equipment without blowing your budget? HP Financial Services can help.

HP Financial Services facilitates the move from analog to digital printing with special financing allowing you to acquire your HP Scitex digital printing solution without a large capital outlay.

Now the only question is, why wait any longer?

Flexible financing that meets your business needs

When you finance your HP Scitex solution with HP Financial Services, you take advantage of competitive rates and flexible terms, and you'll enjoy the convenience of matching your payments with your revenue stream. Unlike bank financing, HP Financial Services financing plans provides terms, structures and resources customized to the needs of commercial printers. Plus, it may keep your bank lines of credit available for other business expenses.

How leasing your HP Scitex solution benefits your business

HP Financial Services is a finance partner who facilitates the move to HP Scitex digital printing equipment by enabling customers to:

- Acquire a digital solution now, spreading payments out over time with predictable monthly invoicing and without a large capital outlay, alleviating pressure on cash flow.
- Facilitate your move to additional capacity and features as your business needs grow.
- Enjoy flexible contract terms and end-of-term options.
- Investment protection: avoid the risk of owning outdated equipment with available trade-ins and upgrades, and minimize the costs associated with disposition.
- Conserve capital: most financing plans do not require a significant down payment or compensating balance.
- May preserve existing credit lines: HP Financial Services provides a new source of cost-effective credit for present and future business needs.
- 100% financing: When you finance with HP Financial Services, you are acquiring the entire HP Scitex solution, including 3rd-party equipment and software, through one vendor and with one low monthly payment.

- Tax advantages: You may be able to write off monthly payments as an operating expense.*
- Budgeting advantages: Through the fixed monthly payment for the length of the term, financing enables you to optimize your budget and align payments to meet budget requirements, and better match your payments with your revenue stream.
- Technology refresh solutions: When you lease with HP Financial Services, you may be able to take advantage of technology refresh options, including swap-outs, trade-ins, coterminous add-ons and more.

How the program works

Let your HP Financial Services Account Manager develop a financing solution for your HP Scitex solution that is tailored to your business needs

- Choose from 12, 24, 36, 48 and 60-month lease terms.
- At the end of the term, you may extend the term or return the equipment — freeing you to take advantage of the latest HP Scitex digital press technology.

About Us

HP Financial Services helps customers manage to the lowest total cost of ownership – from planning and acquiring technology all the way to retiring and replacing it.
